Pursuant to Local Rule 7.3, the parties have conferred and agreed upon the following motion regarding an extension of the briefing schedule. The parties request a one week extension for Plaintiffs to file their Memoranda in Opposition to Defendants International Paper, Smart Papers and Sun Capital's Motions for Summary Judgment. This extension would make Plaintiffs' Memoranda in Opposition due October 31, 2003. If this extension is granted, Defendants hereby move the Court for a one week extension for Defendants to file their Reply Briefs. This request for an extension would make Defendants' Reply Briefs due November 21, 2003. No previous extensions have been requested. The parties do not anticipate that this request for an extension will affect the trial date. A proposed agreed form of Order to the Court will be sent via e-mail to Chambers.

Respectfully submitted,
